

DEL ORO BASEBALL BOOSTER NEWSLETTER

FROM OUR BOOSTER PRESIDENT

A BIG Welcome to all you Del Oro Baseball Families, and baseball families in general, to our inaugural issue and announcement of our Del Oro Baseball Booster Club! My name is Tim Coxen, and I am the current President of the DO Baseball Booster Club. The DO Baseball Booster Club is a non-profit (501(c)3), volunteer organization composed of parents and others in the community who are interested in supporting the Del Oro Baseball program. Our mission is to support the Del Oro baseball program by raising funds to enhance and expand the baseball program and support the athletes, their coaches, and the administration to allow the Del Oro Baseball teams to achieve their full potential.

I am very proud of the Booster Board for all their efforts over the last several months in doing all the prep work, phone calls, paperwork, board meetings, etc that it has taken to get to this point. A BIG Thank You to Jodi Tarr, Booster Club Treasurer, for establishing all the needed banking, bylaws, and other documentation that is required for the Booster Club to be OFFICIALLY recognized as a 501(c)3 organization. This is a MAJOR piece of any booster club that allows us to provide the TRUE non-profit status for all you big donors out there :-). For more information on how to be a sponsor and financial support of the Del Oro Baseball program, please visit our dedicated website at www.delorobaseball.com.

Another key aspect of any volunteer ran organization is full transparency. The Booster Club Board is 100% committed to ensuring that we provide full accountability on all fundraising efforts and just as importantly where the funds are being used in support of the Del Oro Baseball Program. Unfortunately, the school provides VERY little financial support to the Baseball program (they provide the field time and pay for the umpires.....that is it!) so every dollar that is raised will flow through the Booster Club and any significant allocations of funds will go before the Booster Board for approval. These sorts of checks and balances are to ensure that the players and the DO Baseball program continue to thrive and grow.

The DO Booster Club meets a on a regularly scheduled bases either virtually or in person meetings. If you are interested in learning more about the Booster Club or attending a portion of our meetings, please contact me directly at 916 505-6134.

Much more to come and I thank you for your ongoing support.

See you on the field.

Tim Coxen
Del Oro Baseball Booster Club President and Proud DO Parent

COACHES CORNER

Welcome to the 2023 DO baseball season. Excited to get things going! Our young men have been working their tails off to get ready to go. We are also fired up for our creation of the Del Oro Baseball Booster Club. Programs are not run on their own and it takes a lot of work and commitment. We will need a ton of volunteering. The details on that will be coming at a later date. Looking forward to getting our season started and we're looking forward to watching our players get better with opportunities to extend our season to the post season.

FUN FACTS ON THE DIAMOND

LONGEST GAME

The longest game was 25 Innings between Milwaukee Brewers vs. Chicago White Sox on May 8, 1984.

The White Sox won by a score of 7-6. The game was stopped after 17 innings for much needed rest between the two teams with the score tied 3-3. Play resumed and Harold Baines ended the game in the 25th with a walk-off home run.

The game's 8 hour and 6 minute length does not include the rest period between the 17th and 18th innings.

SPONSORSHIP

Successful community programs begin with strong support from local businesses and families. We are excited to offer sponsorship opportunities that benefit local businesses, youth programs and Del Oro Baseball Student Athletes. For more details and to view all our sponsorship opportunities

SHAPING UP

Over the winter months Coach Ziegelmann put on several work out sessions for the players to build their off season strength and conditioning. This includes weights, speed drills, and the very important arm conditioning program, that thanks to many donations the team was able to purchase weighted balls and arm bands that can be used for seasons ahead.

WE CAN MOVE "MOUND" TAINS

The team is ecstatic about the new portable pitching mounds that we were able to secure thanks to your amazing fundraising. It has allowed the players to work on the form and arm strength while we had the "Atmospheric Rivers" rolling through. It will continue to offer indoor workout options.
