

# DEL ORO BASEBALL BOOSTER NEWSLETTER

## FROM OUR BOOSTER PRESIDENT

Rain rain go away, we want to play baseball every day! Well, mother nature has not been our friend over the last several weeks when it comes to getting out on the fields. While the teams have done their best to maintain the fields to maximize play, the overall saturation of the fields makes them unusable with even the lightest of rains. Fingers crossed that April brings sunshine and warmer temperatures so we can watch our players in action.

With the fields being closed the players have been getting more of their share of indoor workouts. Between the weight room, gymnasium, and conditioning the teams have been making the best of a rainy situation!

I wanted to say thank you to all those who came out to our first annual poker fundraiser. It was a great success and we received plenty of very positive feedback so we plan on doing the same event next year. Congratulations to Chris Rowland, Jason Smith, and Robert Garcia for our top three winners. Also a BIG thank you to Ace Hardware of Loomis for donating nearly \$2,000 in prizes (Smoker and BBQ). Without partners in our community, events like this would not be possible.

Congratulations to the Del Oro JV team, as well as the coaching staff for going undefeated thus far through the year. This would include a recent 11-0 spanking of Folsom High School JV team!

We are looking forward to having a baseball filled April and May.

Stay safe and Go DO
